BREED NOTES

BREED: LA PERM

(02/14) Extend the cutoff date for Domestic Outcross litters from 2015 to 2020

(02/20) Extend the cutoff date for Domestic Outcross litters from 2020 to 2025

There is no separate set of BCS codes for SH carrying LH. Use the SH breed code (66) when registering litters from SH X LH.

There is no rule that would prevent someone from showing an AOV while the breed is still in Provisional status.

On pedigrees from other associations, the following codes:

DSH shorthair outcross
LCH longhair curly
DLH longhair outcross
SCH shorthair curly
LSH longhair straight coat

BC born curly
BS born straight
BB bald

(02/08) Straight-coated LaPerms may be registered for breeding purposes only. CALICO can include solid, shaded, smoke tabby, or pointed.

(02/14): Change the CFA Registration Rules for the LaPerm to identify the procedure to use when registering a domestic outcross used in a LaPerm breeding program by adding a policy to the Rules of Registration for the LaPerm:

Procedure for using a Domestic cat in your LaPerm Breeding Program (CFA)

In order to register a litter from a domestic outcross, you must provide CFA with three pieces of paper. You must complete a litter registration for the LaPerm litter, a litter registration filled out to register the domestic used in that LaPerm litter, and a letter of explanation of your intent.

LAPERM LITTER REGISTRATION (using a domestic outcross)

1. Complete Section A for the litter.

- Enter “LaPerm” as the Breed**
- Enter the date of birth of the litter**
- Enter the number of kittens (living) in the litter**

2. Complete Section B – Sire Information

- **If the Sire is the Domestic, enter the cat’s name in the “Registered Name of Sire”.**

You will leave the CFA Registration Number blank at this time. Complete the Owner/Lessee, Address, City, State and Postal Code as you would normally. Be sure to sign the litter registration form as owner of the Sire.

- **If the Sire is the LaPerm, enter the Registration information from your Registration Certificate in the spaces provided. If you are leasing the registered LaPerm, fill out the Lease of Sire section. Otherwise, leave this section blank.**

3. Complete Section C – Dam Information

- **If the Dam is the Domestic, enter the cat’s name in the “Registered Name of Dam”.**

You will leave the CFA Registration Number blank at this time. Complete the Owner/Lessee, Address, City, State and Postal Code as you would normally. Be sure to sign the litter registration form as owner of the Dam. Make sure you add your breeder/cattery name and number in the appropriate spaces.

- **If the Dam is the LaPerm, enter the Registration information from your Registration Certificate in the spaces provided. If you are leasing the registered LaPerm, fill out the Lease of Dam section. Otherwise, leave this section blank.**

4. Complete Section D and E normally for litter owner and any kittens you wish to register from this litter.

DOMESTIC REGISTRATION

This should only be filled out the first time a domestic is used in a LaPerm breeding program.
